Dear Assembly Member Byrne,

We are pleased to inform you that NFIB New York has endorsed your candidacy for election to the New York State Assembly based upon your consistent support of the small business agenda.

NFIB is the nation's leading small business association, representing its members in Washington, D.C. and all 50 states. Founded in 1943 as a nonprofit, nonpartisan organization, NFIB gives small and independent business owners a voice in shaping the public policy issues that affect their business. NFIB's powerful network of grassroots activists send their views directly to state and federal lawmakers through our unique member-only ballot, thus playing a critical role in supporting America's free enterprise system. NFIB's mission is to promote and protect the right of our members to own, operate, and grow their businesses. More information about NFIB is available online at [www.NFIB.com/New-York](http://www.NFIB.com/New-York).

We encourage you to make use of our endorsement in your campaign speeches and literature. It is our hope that this support will help you with all voters. Please note that NFIB will also be informing our members in your district of this decision.

We look forward to the opportunity to work with you in Albany to address the urgent needs of reducing the costs of doing business, cutting broad business and income taxes, easing regulatory barriers, and strengthening the economy.

Thank you again for your support of the small business agenda. Should you have any questions, please do not hesitate to contact us.

Sincerely,

**Greg Biryla**

New York State Director
