Re: Candidacy Letter of Support

Dear Kevin,

On behalf of the Board of the NYS Society of PAs I am pleased to offer this Letter of Support as you run for re-election for the 94th Assembly District in NY. As a new generation leader in the Assembly your commitment to and advocacy of the PA Profession and the patients of NYS we serve is greatly appreciated.

As the Ranking Member of the Assembly Health Committee your voice regarding quality, accessible and financially responsible healthcare in NY and your appreciation of the role PAs play in all of these metrics is self-evident. As past Ranking Member of the Assembly Aging Committee you also have a deep appreciation of the role PAs play in taking care of this very vulnerable population, whether it be in a longterm care facility or in their home should they desire to age in place. Your very vocal support of NYSSPAs MOLST Bill will allow PAs to have necessary conversations with our patients as part of well established relationships.

Your stewardship and voice of reason during the recent public health issues in NYS is also greatly appreciated, a voice relying on facts and common sense.

We wish you all the best in your re-election campaign.

Warm regards,

Maureen C. Regan, MBA, PA-C, FACHE, DFAAPA
