Dear Kevin Byrne,

On behalf of the Uniformed Firefighters Association of Greater New York – FDNY, it is our great privilege to announce our endorsement of your election to the Putnam County Executive. Your experience and concern for public safety, public safety professionals, working families, our education system, and the economy, will certainly be major assets to the people of Putnam County.

Now more than ever, it is important that we elect individuals who will protect the economy and growth of New York as well as remember the hard-working people who live here.

It is said that all politics are local. Many politicians lose sight of that fact after being elected. We are confident that you will never forget the people that elected you and will always fight to protect and enhance the interests of the people of your district.

For all these reasons, we are proud to endorse you in your election to Putnam County Executive. We wish you continued success and look forward to working with you for many years to come.

Very truly yours,

Andrew Ansbro, President
Uniformed Firefighters Association
of Greater New York – FDNY

Robert Eustace, Vice President
