Dear Assemblyman Byrne:

It is a distinct pleasure to inform you that the Officers and Executive Board of Local 1-2, NY, Utility Workers Union of America, AFL-CIO strongly endorse your re-election to represent the 94th Assembly District in Albany.

As the son of Utility Worker you know full well we value hard work, honesty and sticking together in good times and bad. As a Member of the Indian Point Closure Task Force, we know you will do your utmost for the men and women of Local 1-2 who work at Indian Point, as well as all New Yorkers, to ensure that when Entergy exits New York State it will not leave a legacy of economic destruction.

We are more than assured that the people you represent in your district will benefit the most with your re-election. You stand strong for working men and women across New York State. We need people like you in Albany to remain committed to the ideas and ideals of Unions and the Labor Movement. Every day working men and women need all the help they can get.

Sincerely,

James T. Slevin
