It is my pleasure to inform you that the Putnam County Sheriff's PBA has voted to formally endorse your candidacy to serve as our next Putnam County Executive.

Since first elected in 2016, you have consistently demonstrated a true and sincere effort to listen to and work with all members of law enforcement. As a former first responder, serving as both a volunteer firefighter and EMT, you worked and served with members of law enforcement gaining personal experience which we believe helps you understand the crucial contributions all of our first responders make, especially our brothers and sisters in blue. Your ties to the community, our members and their families is greatly appreciated and your work has not gone unnoticed.

Over the past several years we have been forced to face many challenges due to the action of various governing bodies including the New York State Legislature and its political leaders, but you have consistently been one of the most reliable voices in favor of public safety and the rule of law, looking out for our members' interests and by extension the people we protect and serve.

It is based on those experiences that we trust in your leadership and decision making capabilities to help us move our beautiful Putnam County forward in a positive direction that respects both its taxpayers and public employees, and that always stands up for our men and women in law enforcement.

Congratulations on your many early successes with your campaign. We look forward to encouraging all our members and their loved ones to vote for you this upcoming November.

Stay safe,

Thomas Varbero
President
